Hi Lana,

Yes, I think it is best to include one NOI Form (Attachment 1) per rig for each NOI Application package.

Thanks,

Hi Erin-

Quick question for you. As we have discussed we are planning on submitting one NOI per lease block for both rigs, the Polar Pioneer and the Discoverer. Should we submit one NOI form (attached) per rig per lease area or do you want both rigs listed on one NOI form? I wasn't sure whether sending two NOIs forms for each lease area would confuse or cause an administrative headache for you or not.

Please advise.

Thanks
